Athletic Trainer International Service Award Instructions and Information

Congratulations! You have been submitted as a candidate for the NATA Athletic Trainer International Service Award. This is a national honor that recognizes athletic trainers for their contributions to the profession of athletic training and the association through exceptional commitment to the educational practice and development of Athletic Training internationally.

The International Committee has developed the attached candidate profile to be "candidate friendly." Complete, accurate information will help the committee assess your contributions. Please carefully read and follow all of the instructions for completing the profile.

The following instructions will guide you through the nomination process:

- 1. Eligibility:** To be eligible for nomination, individuals must be a member in good standing of the NATA. An Athletic Trainer International Service Award candidate exemplifies the mission statement of the NATA and the NATA Code of Ethics; by their conduct and advancement of the profession internationally.
- 2. Candidate Profile:** The candidate profile must be typed and completed in its entirety, even if information is duplicated on the candidate's résumé. Points will not be awarded for incomplete sections, or unanswered questions.

Familiarize yourself with what is being requested. Candidates are not expected to have experience in all areas and should not feel intimidated by having to leave some parts of the form blank.

- 3. Letter of Support:** The candidate's profile should include at least one letter of support. There is a maximum of 3 letters of support. Candidates are responsible for ensuring this occurs.

Letters of support should be submitted from an individual(s) who can provide the NATA International Service Award Committee with insight into the candidate's international contributions. Letters of support may be submitted individually by the writer or collected by the nominee and submitted at one time with the candidate profile. Examples of individuals who may write letters of recommendation may include: Athletic Trainers, Physicians, Athletes, Representatives from International Organizations or Governing Bodies, International Healthcare Providers, etc.

- 4. Résumé or vita:** Nominees should include a current résumé or vita to supplement the information on the nomination form.
- 5. Deadlines:** All materials requested, including the candidate profile, résumé or vita and letter of support must be submitted via email by October 1st for consideration. Candidates and sponsors will receive e-mail confirmation when the application is complete.
- 6. Evaluation process:** The review process takes several weeks. The NATA International Service Award Committee members will evaluate each nomination, complete an evaluation form and score each nomination reviewed. Their recommendations will be forwarded to the entire International Committee, who will give final approval of the recommendation.
